About us

Aveksha (Adds quality to life..) is a registered trust from on 15th August - 2013 with an aim to provide basic health, Education and empowerment for every citizen. The objective for which the organization is formed is to undertake, develop and maintain activities relation to children, men and women, Illiterate, backward people, farmers, tribal people, environment, economic, education, road safety and last for the Nation. It has taken an integrated and innovation development approach to solve the problem of economic backwardness and health hazard. It had sufficient number of experienced and well qualified staff and strong group of committed volunteers to execute the various development projects. It creates awareness for self reliant society where people particularly the weaker section grow with dignity and equal opportunity free from exploitation, oppression and discrimination. In 2018 Aveksha Trust adopted 40 slum children from Hi-tech munda sahi basti and giving them food, dress, education, development of other curricular activities like dance , song, drawing etc. for their betterment life which know as **“AVEKSHA PATHASALA”** . AVEKSHA trust is the 1st trust in odisha who get PMFME Loan for Empowerment purpose.
